

PROFILE SUMMARY

UI/UX Designer with 1 year of experience designing digital experiences across product and visual design. Focused on growing into an end-to-end product designer who turns complex requirements into clear, user-centered products.

EXPERIENCE

Dec 2025 – Present	LIL BIG THINGS LLC Creative Designer Focused primarily on product design, working on two digital products: an internal request management platform for Lil Big Things and PixelWhisk, a client-facing platform that supports the journey from request to delivery. My work covered requirements, product flows, wireframes, high-fidelity interfaces, and reusable UI components. Alongside product work, I also contributed to creative projects including landing pages, illustrations, and motion graphics.
Aug 2025 – Dec 2025	LIL BIG THINGS LLC Creative Designer Intern Worked on a range of creative design projects, contributing to landing pages, illustrations, e-books, ad creatives and shortform contents.
